

# About Us

We wanted to create a comfortable place for people who share a love for literature, coffee, and sweets. At Holly's, you can engage, connect, or simply reflect and read a book in a lively yet cozy atmosphere. Take your pick of conversing in a tall booth, relaxing in one of our lounges, or escaping into one of our private rooms.

For the essential cup of joe, we offer customizable basics: lattes, mochas, macchiatos, frappuccinos, cappuccinos, etc. You can also mix it up and try one of our unique flavors, each made with a literary figure in mind.

We offer a wide variety of ice cream flavors and specialty chocolates. You can enjoy the classic cookie dough and dark chocolate truffle or explore our original creations.

At Holly's, we are always surrounded by books. The Utopia Book Club meets in our upstairs lounge every Friday evening at 7:00. We also feature local authors and host book signings. Dates and times can be found on our website: [hollys.com](http://hollys.com).

# Holly's

"I have measured out my life with  
coffee spoons."

- T.S. Eliot

# Coffee

## *The Ally Carter*

A vanilla latte with a top layer of brown sugar torched to replicate the decadent creme brulee flavor.

## *The Jane Austen*

This vanilla and lavender earl grey latte is romantic, witty, and strong like the Jane Austen we admire.

## *Crime and Punishment*

Espresso shots that will help you stay alert and may be slightly crazy.

## *The Leo Tolstoy*

Classic Russian coffee: espresso infused with vodka and cream.

## *The Clockwork Orange*

Strong and tangy orange and cognac flavor.

## *The Princess Bride*

Reminisce about your childhood with some hot chocolate.

# Ice Cream

## *Maze Runner*

Chocolate ice cream with dark chocolate chunks, crunchy almonds, and mini marshmallows.

## *The Great Gatsby*

Flavorful strawberry champagne, a delicacy that Jay Gatsby could have provided at one of his extravagant parties.

## *Oliver Twist*

Dark chocolate and vanilla ice cream with toffee and caramel.

## *Divergent*

With this roasted turmeric and candied ginger ice cream, you can be both healthy and indulgent. Because you're divergent.

# Chocolate

## *The Scarlett O'Hara*

A dark chocolate shell with a bourbon-infused center. Strong, feisty, rebellious, and yet charming just like Scarlett O'Hara.

## *The Edgar Allan Poe*

This semi-sweet truffle emulates Edgar Allan Poe's favorite drink, Brandy Eggnog, and consists of eggnog laced with nutmeg and generous dashes of brandy.

## *The Truman Capote*

This isn't Truman Capote's "orange drink," but it is the next best thing. A dark chocolate exterior and orange filling with the slightest twinge of vodka flavoring.

## *The Lord of the Rings*

Decadent dark chocolate outer shell with a pistachio marzipan and nougat filling. You'll want it for breakfast, second breakfast, elevensies, afternoon tea, dinner, and supper.
